Customer Policy

All customers will see a sketch before any final work is done on the badge to ensure their satisfaction. They are shown (ONE) sketch and should make all changes at this time. Excessive changes will result in additional charges.

The artist, Alicia Boros, reserves the right to cancel a badge order if the client becomes difficult to work with. This includes but is not limited to demanding a surplus of sketches and haggling the artist while their badge order is being worked on. You may inquire about the progress of your badge up to (3) times if I have not kept you up to date.

Once the final badge has been completed, no changes can be made to the art. It will be laminated and permanently unchangeable. Please take care of your finished badge as it is durable but not indestructible. I am not responsible for excessive wear on the badge. The lamination should not separate at any time. In the chance that your clip breaks, you may have a replacement at no extra charge. If your badge is stolen, a replacement can be made at an additional fee. Again, please take care of your badge.
